Inky Boy

Sir Charles

Plate H.

For Descriptions and Prices see Section E.

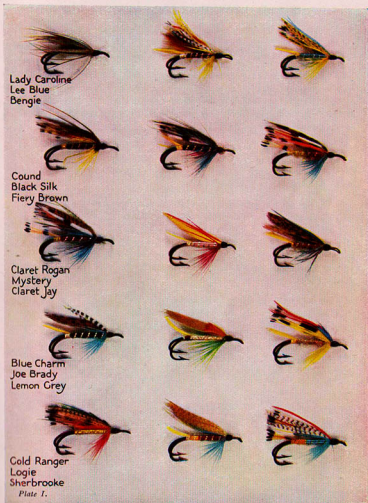

This series of flies are dressed with extra thin bodies and wings. Whilst the general character of the pattern is maintained the thin sleek wing gives life to the fly and is therefore most suitable for the greased line method of fishing for salmon.

C. FARLOW &

CO. LTD. LONDON.

THE "CROSFIELD"
LOW WATER SALMON FLIES.

Stocked on fine wire Double Hooks with Metal Eyes.

For Descriptions and Prices see Section E.

See article on "Summer Salmon Fishing" in the front of this volume.
